Dear Ms. Popper:

Enclosed is a copy of Judge Webster's speech "Central Intelligence: Its Role in a Free Society" that he gave at the Aspen Institute on Thursday, August 27th. As we have already discussed, you may distribute the speech in whole to those participants at the Institute. If you excerpt any portions of the speech e.g. for the Aspen newsletter, please let us review your article prior to publication.

I have enjoyed working with you on this event and if there is anything I can do further, please call me on [redacted]

Sincerely,

Public Affairs
